War Relief Appropriation

The matter of the appropriation for the United War Activities and War Relief, came up at this time, as per schedule, and the proposition was thoroughly discussed, the following action was taken:

Moved by Paterson, seconded by Kranz;

Whereas, Codington County has been called upon to contribute $34,000.00 for War Relief Work, in addition to the amount already provided for, in the levy of Sept. 3, 1918, and

Whereas, it is the opinion of the Board that it is most equitable that said contribution be raised by taxation, and

Whereas, there are constant demands for money for War Relief Work, and

Whereas, an expenditure of $34,000.00 is an amount extraordinary within the meaning of Sections 833 and 2244 of the Political Code of South Dakota, requiring a submission of the question of the raising of said money to a vote of the people, and

Whereas, it is the opinion of the Board of County Commissioners, in order to provide the necessary money for War Relief Work, in addition to the amount already provided by the levy of Sept. 3d, 1918, that a levy of one mill should be submitted to the voters of Codington County, South Dakota, to be included in the levy to be made in September 1919, in addition to the amount to be then levied according to law.
